Subject:	**Customer Profile Task**		

Thank all of you, Jack, Sparkey, and Charles, for your comments, which I have tried to reflect in the attached memo to Point, explaining how we want to work with them on the "customer profile" part of the project. As things now stand:

I will drop off a copy of this material at Point tomorrow, Friday.

Sparkey will arrange the meetings called for in the memo, shooting for start times of around 5:30 pm, and let me know the schedule. Sparkey and I will attend for ACT.

Jack will rejoin the fun in early June.

Regards,

Jim
